Easter Sunday Free Hot X Buns

17 -21 April Arts and Crafts

We've got a range of activities right up until the 21 April, giving a special Easter theme to Tots Activity Time.

And if you can face another Hot Cross Bun by the time we get to Easter Sunday, come to Monkey Bizz and have

one with our compliments!

## Bizz Café Health food and special treats!

You might have noticed the fruit packs we are selling at the Bizz Café. They are proving very popular and are another healthy option on our menu..

As well as our range of

traditional café meals, there's also a lot of healthy choices to be found like jacket potatoes, sandwiches and hot panini with a range of fillings to suit your diet needs.

But we still like to tempt you with the occasional treat and so we also have a range of fresh cakes and tarts to make your mug of tea a bit special.

# Monkey Bizz Meal Deals

Monkey Bizz Meal Deals are special packages that combine entry to Monkey Bizz and a child's meal, plus a cup of juice.

**Prices are £6.00 for under 4's and £6.50 for 4's and over.**

Remember to purchase your Meal Deals when you enter the Centre.

Meal Deals are a great, economical after-school

treat. Fun for the kids and a problem solved for the parent!

Don't forget to get your **Monkey Bizz Passport** stamped as well. Every five stamps get you a free child's meal.

Also remember to have your child's **hand stamped** if he or she is four. That shows us that the child is old enough for the Monkey Maze.

Only four year olds can play in both Tots Town and Monkey Maze, but they must get their hand stamped.

## Calling all Registered Child Minders

We have a special arrangement for registered child minders—buy one, get one free.

That's right. Enter before mid-day during term-time week days and we will give registered child

minders two entries for the price of one. Just show us your National Child Minders Association card.

Why not make a regular date to meet up with other registered child minders?

**Registered child minders regularly get together at Monkey Bizz**

## Summer holidays

Can you believe it! We are already thinking of the summer holidays! As in past years, we intend to have a variety of events to keep the

children entertained. We will be running craft activities for the little ones and hope to have some special visitors too.

# Party! Party!

## Coffee mornings at Monkey Bizz

Why not have your coffee mornings at Monkey Bizz? Save yourself all the tidying and washing up by bringing your friends to Monkey Bizz for your regular gatherings. Mother and Toddler groups, NCT groups and others enjoy coming to Monkey Bizz so that the parents can have a chat while the children play.

Remember that we only charge for children from the age of one. If your baby group has a coffee morning at Monkey Bizz it may not cost a penny to get in. There's plenty to do with the little ones in our giant play pen in Tots Town. And if you do have older pre-schoolers with you as well, they

We can do it for  
you!*

can have fun at Tots Activity Time (10 am to 3 pm Tuesday to Friday in term time).

Don't forget our dedicated baby changing room!

## This bit's important.....

### Emergencies

### and Evacuation

- We have an emergency lighting system which activates automatically if the main electricity supply is cut.
- As well as the main entrance there are three emergency exits to assist with a speedy evacuation of the centre.
- An alarm will sound if we need to evacuate the building.
- Please follow any instructions given by the staff. If possible we will use the tannoy.
- Leave the building in an orderly fashion and assemble on the far side of the car park directly in front of Monkey Bizz.
- Do not leave the assembly point outside without being accounted for by our staff. You could endanger the lives of the emergency services officers.
